

Proton OnSite Scholarship Program

Application Packet Instructions

Applicants must submit an online application, found here:

<http://protonenergyscholarship.com/apply.asp>

Additionally, applicants should submit five (5) three-hole punched and bound paper application packets of the following materials in the order noted below:

1. Proton Energy Scholarship Application
2. Current academic transcript
3. Parent or guardian W2 form or tax returns, showing pre-tax income
4. Three (3) recommendations
5. Two essays

Incomplete applications, or applications submitted out of order will not be considered.
